**Accez Bling Thing, \$24.95**

Want a place to "park" your earrings? Bling it on. Gold Coast sisters Susie Bent and Jenny Franklin are behind the practical earring storage device, Bling Thing. It holds more than 60 earrings, so they're clearly visible when throwing together last-minute outfits and also keeps them tangle-free. It comes in black or candy pink. Radio queen Bianca Dye is said to be a fan. Hang it in your wardrobe or behind a door.

## tried & tested: microdermabrasion

The winter chill and city smog have had an impact on my skin lately. So, rather than just whingeing, I booked in for a Minivac microdermabrasion at Body Mechanique. I was a little reluctant as I'd heard the skin treatment could be painful, but was relieved to find it only mildly uncomfortable at times. Still, I rather enjoyed the sensation of having my pores deeply "vacuumed" and skin exfoliated.

Clinic owner Wendy Gilbert-Grey does a thorough job with her nifty pen device, getting in and around the pores on my nose and the like. Later, my skin glowed and any dry skin had gone.

**Minivac microdermabrasion, \$120.**
